

THE ART AND SCIENCE OF TMJ ASSESSMENT AND TREATMENT

NOVEMBER 17 - 18, 2023

Course Description: This course will provide an excellent opportunity for students to build their confidence recognizing, assessing and treating temporomandibular disorders (TMD). This course uses an evidence-based protocol (DC/TMD) for diagnosis.

Course Objectives

Upon completion of the course, participants will be able to:

- Learn how to describe and understand TMJ anatomy, biomechanics and pathomechanics
- Recognize contributing etiology
- Learn how to simply and easily assess the TMJ and determine potential diagnoses
- Learn manual techniques, exercises and management strategies for the treatment of TMD
- Understand the role of the physiotherapist
- Understand and identify the complex patient and team approach
- Have confidence educating your patients about management and self-care

Instructor: Joyce Clark PT, BSc.PT, MCPA, PGCPain, CCTT, Certified Cervical & Temporomandibular Therapist, by the Physical Therapy Board of Craniofacial and Cervical Therapeutics, Affiliate Member of American Academy of Orofacial Pain Joyce has been passionate about treating and teaching TMJ related issues for over 30 years. She is one of 7 physiotherapists in Canada with a CCTT designation from the US.

Assistant: Mara Boaru, PT, BScPT, RMT

Tuition: The fee for this 2-day course is **\$640.00 + HST (\$723.20 CAD)**. Accepted forms of payment include cheque, credit card or e-transfer. Tuition includes course materials and snacks, but not lunch. Registration is accepted on a first-come first served basis.
